

Brown Trout Tagging Study Below Prettyboy

PRETTYBOY DAM TAILWATER

Since 1998, 1500 fish have been tagged behind the left eye with a green or orange letter/number code (e.g., H16). Signs along the Gunpowder ask anglers to report tagged trout by noting tag color, letter/number code, location caught, date caught and whether the fish was kept or released. Please call 410-442-2080 or 410-260-8287 if you catch a tagged fish.

Maryland Fishing Report

The Maryland Department of Natural Resources (MD-DNR) Fisheries Service publishes the weekly "Maryland Fishing Report." The report is available on-line at the web address listed below. You do not need to own a computer to access the web site. Access is available free of charge at your local library where you can print out a copy.
